

STARA PLANINA HOLD AD – 30 YEARS OF SUSTAINABLE DEVELOPMENT

On 27 September 2026, Stara Planina Hold Plc marks 30 years since its establishment. The company is the legal successor to Central Privatization Fund AD, founded on 27 September 1996.

Today, the holding company brings together leading industrial enterprises in four business segments and continues to develop Bulgarian industry through investment, innovation, high productivity and the sustainable creation of value.

We share our success with the shareholders, employees and specialists, customers, suppliers and partners who have helped to make it possible.

Stara Planina Hold Plc is the only Bulgarian publicly traded holding company to have paid a dividend for every financial year of its operations: 29 consecutive years.
